Custom Research/Strategy Development

Custom Research

- *AMI insights answer clients' research needs and helps build the foundation to developing a successful business strategy*
- *AMI utilizes our extensive **content and contacts** to customize research projects, using various research approaches, including:*
 - *Surveys*
 - *Interviews*
 - *Advisory boards*
 - *Proof of Concept*

Strategy Development

- *AMI immerses clients into the real world environment - hearing from customers on how their business models and value propositions are changing*
- *AMI offers strategy and solutions that help teams and individuals understand the "Reality" of the marketplace and the "Relevancy" of the solutions needed today*

Client: A global biotechnology company focused on developing and delivering novel medicines for people living with rare diseases

- *Project: Evaluate Employer-based medical versus pharmacy benefit coverage and trends and its impact on rare disease drugs.*
- *Methodology: AMI utilized our data content and contacts to customize our secondary research efforts and conduct personal interviews with industry experts.*
- *Deliverables: A summary report that included insight and an assessment of factors and drivers focused on the self-insured employer health benefit coverage market for rare diseases with recommendations for the client's drug.*

Specialty Pharmacy Database

Comprehensive industry-leading database that is continually updated with comprehensive business intelligence on 1,750 specialty pharmacies

Maxor Specialty Pharmacy

Amarillo, TX 79101

<https://maxorplus.com>

Accreditations: ACHC, URAC, URAC (Infusion), URAC (Rare Disease), JCAHO

320 South Polk Street, Suite 200

800-687-0707

Jason Atlas – SVP, Pharmacy Operations

Founded in 1926, Maxor has grown into a top PBM and pharmacy services provider. In the 1980s, as the need for specialty drug management and delivery was growing across the country, Maxor introduced Maxor IV Solutions, now known as Maxor Specialty Pharmacy. The company's reach continued to grow with the addition of Maxor Pharmacy Management, MaxorPlus, a pharmacy benefit manager, and Maxor340B.

Maxor owns Macon, GA-based Compass Pharmacy, which is accredited by the ACHC and treats HIV and Hepatitis C patients.

Maxor Specialty helps patients manage conditions in a wide range of areas, including:

- Ankylosing Spondylitis
- Crohn's Disease
- Growth Hormone
- HIV
- Multiple Sclerosis
- Organ Transplant
- Rheumatoid Arthritis
- Oncology
- Cystic Fibrosis
- Hemophilia/Bleeding Disorders
- Infertility
- Neurology
- Osteoarthritis
- RSV
- Chemotherapy
- Enzyme Deficiencies
- Hepatitis C
- Juvenile Arthritis
- NTM
- Psoriasis
- Transplantation
